Ref: From the D. I. & C., D.O. no 312 ES/43 d. 25-3-44

To Addl. A.S.

The D. I. & C. had submitted proposals for the supply of uniforms to the Station Wagon driver, peons and sentries and the lorry driver employed in the Govt. Silk Filatures, Kollegal. After a detailed examination of the question, the Govt. decided that it would be enough to supply uniform to the lorry driver and belts & badges to peons and sentries. The main reason for the supply of uniforms to the lorry driver was that he has to go to the Country side in his lorry on duty.

In his present letter, the D. I. & C suggests

(i) that the lorry driver employed in the Kollegal Silk Filatures may also be provided with uniforms at Govt. Cost; and

(ii) that the Govt. have not passed any order for supply of uniforms to the Station wagon driver employed in the Govt. Silk Filatures.

Item (i) above: Lorry driver in the Kollegal Silk Filatures: This is a fresh proposal as the question disposed of in G.O. no. 1065 Dev. dated 10-3-44 related only to the supply of uniforms to the employees of Govt. Silk Filatures. It is submitted in this connection that the Kollegal Silk Filatures owns a motor car and a motor lorry. The D. I. & C. has recommended the supply of uniform to the lorry driver alone, and not to the driver of the motor car. On the

analogy of the case of the Lorry Driver in the Govt. Silk Filatures, it is for consideration whether the proposal for Supply of uniforms to the Lorry driver alone in the Kollegal Silk Filatures may also be approved. For orders.

Item (ii) above: Uniforms for Station Wagon Driver, Govt. Silk Filatures

The orders in circulation were specific that the supply of uniforms should be restricted to the Lorry Driver. The duties of the Station Wagon-driver do not apparently require his going round the Country side on duty. ~~The D. I & C. has however incurred the expenditure of Rs 38/- on the supply of uniforms to the Station wagon drivers & peons etc in anticipation of sanction of the Govt.~~ Please see in this connection the distinction made by the D. I & C. in regard to the need for supply of uniforms to the drivers of the motor car and lorry owned by the Kollegal Silk Filatures. In the circumstances, it is for orders whether the supply of uniforms to the Station Wagon driver is justified. The D. I & C. had however ~~incurred the expenditure of Rs 38/-~~ on the supply of uniforms to the Station Wagon Drivers & peons etc. in anticipation of sanction of the Govt. This irregular procedure was pointed out to the D. I & C. in the D.O. at pp 11-12 cf (D). A, had then no objection to pay for supplies already made. The D. I & C. should naturally have asked now for ratification of the supplies already made to the Station wagon driver & peons etc. but he has now confined his request to the ratification of the supply to the Station Wagon driver only. In the peculiar circumstances of the case, it is for orders whether the expenditure incurred on uniforms for the Station Wagon driver may be approved & the D. I & C. informed that the Station Wagon driver should not be supplied with
